

Understanding the Effects of Birth Order

Do you sometimes expect more from your eldest child and not enough from the "baby?" As parents our own birth order may impact the way we parent our children. The characteristics of our children may be affected by their "positions" in the family. Please come join one of the dynamic facilitators from Family Education and Guidance as we learn how to recognize birth order characteristics and how to respond to our children in more effective ways.

Friday, November 2, 2018

11:45 a.m.—12:30 p.m.

Wells Elementary School

Tigers Den

Refreshments will be served.
